BHSCP Anti-racist Practice Conference as part of the BHSCP Safeguarding Week - 14 - 18 November 2022

Date: Tuesday 15 November 2022 – 9.00 – 16.30

Venue: Mayo Wynne Baxter Lounge, American Express Community Stadium, Village Way, Brighton BN1 9BL

Brighton and Hove Safeguarding Children Partnership (BHSCP) are hosting thematic training sessions throughout BHSCP Safeguarding Week 2022. This year's theme is tackling disadvantage in Brighton and Hove – for 'A Fairer Brighton and Hove'. This includes a one day conference on Anti-racist Practice featuring Jahnine Davis – Child Safeguarding Practice Review Panel member and Director of Listen Up as the keynote speaker.

Demographics in Brighton and Hove have changed with an increasing number of residents identifying as non-White British ethnicity. Racism can be covert and overt; racism is when a person is treated worse, excluded, disadvantaged, harassed, bullied, humiliated, or degraded because of their race or ethnicity. Racism has also been identified and discussed in some local and national Safeguarding Practice Reviews – both published and currently unpublished.

Tickets are available on a first come first served basis to safeguarding practitioners and BHSCP partners working with children and young people in Brighton and Hove only.

BHSCP partners and colleagues include - Brighton and Hove City Council (Families, Children and Learning), Sussex Police, NHS Sussex ICB/NHS, and community/voluntary organisations. Virtual workshops, podcasts, and webinars covering Anti-racist Practice and wider disadvantage will be available throughout the week with a Daily Bulletin offering links to online resources and workshop updates.
